MPS3000C-H-1P-2-0-M-S	Motor Protection Relay (horizontal orientation) – fully functional motor protection relay, accepts up to 10 RTD inputs, 110-230V control voltage with Modbus comm.	0	\$4,725.00
MPS3000C-V-1P-2-0-M-S	Same as above except vertical orientation	4	\$4,725.00
MPR6-5-2-3R-M-0-S	Motor Protection Relay – monitors three phase currents, ground current, motor temperature (3 RTDs). 5A secondary, 110-230V supply voltage & Modbus.	0	\$1,407.00
MIP6-MV1-M-5-8-S	Motor Insulation measurement and protection unit. Designed for testing the insulation resistance of low voltage and medium voltage motors	0	\$2,790.00
RU-7	Resistor for above when used for MV motor applications.	0	\$1,395.00

\*\*\* This is a custom Combo Starter unit based on the lower cost internal bypass DX chassis. It incl a larger 48"H x 36"W x 16"D NEMA 3R enclosure, and other features incl with the NEMA 3R RVS-DN outdoor models.

Prices are in US dollars. Stock subject to availability at time of order. FOB Solcon USA Warehouse Cranberry Twp, PA

### Medium Voltage Products

HRVSDN-110-4160-115-3M-R-N12-SUSA	Medium Voltage 110A, 4160 Volts, 115V control voltage, Modbus in a Nema 12 enclosure	1	Call for pricing
-----------------------------------	--	---	------------------

HRVSDN-200-4160-115-3M-5-R-N3ROD	Medium Voltage 200A, 4160 Volts, 115V control voltage, Modbus in a Nema 3R outdoor enclosure	1	Call for pricing
HRVSDN-400-4160-115-3M-5-R-N12	Medium Voltage 400A, 4160 Volts, 115V control voltage, Modbus in a Nema 12 enclosure	1	Call for pricing
